

SCRAP BOOK

**PORTRAIT PRESENTED:** Seattle physicians who served with the late Dr. Hubbard T. Buckner in the 50th General Hospital during the Second World War today presented an oil portrait of Dr. Buckner to Providence Hospital. Attending the ceremony were (from left) Dr. John W. Codling, chief of staff at Providence; Sister Genevieve, Providence Hospital administrator; Dr. Robert F. Foster;

Dr. Philip H. Narodick; Dr. B. E. McConville; Mrs. Buckner, who accepted the painting of her late husband on behalf of the hospital; Dr. Homer V. Hartzell, and Mrs. Carl M. Blackstock, who painted the portrait. Dr. Buckner, who was chief of staff and head of Providence Hospital's orthopedic department for many years, died March 22.
